## WAIVER OF PREMIUM

Available through Table 4, up to a maximum face amount of \$6 million. Waiver pricing is determined by the underwriting classification of the base plan.

Available for ages 20-55 for non-tobacco classes and 20-50 for tobacco classes.

Maximum issue age for Waiver of Premium cannot exceed that of the base plan.

Waiver of Premium coverage ceases at attained age 65. We will waive all premiums that are due during total disability if: 1) we are given due proof of total disability; and 2) such total disability has then existed continuously for at least 6 months.

See rider ICC09 WPTR and state variations for full benefit description, requirements and exclusions.

## NON-ILLUSTRATED LIFE INSURANCE GUIDELINES

Signed illustrations are not required with OPTerm products; however, we recommend you provide the applicant one from the Web Quoting Partner Tool.

When explaining non-illustrated products:

- Discuss only guaranteed premiums.
- Tell clients that after the initial level term period, coverage amount will be reduced and premiums will increase.
- Tell customers the premium will not exceed the guaranteed premium.

Don't discuss or show any premiums or coverage periods based on non-guaranteed rates.

## ACCELERATED DEATH BENEFIT

The accelerated death benefit payment is payable in the event of a qualifying terminal illness. The maximum accelerated death benefit amount is the lesser of \$500,000 or 75% of the policy's primary death benefit, less any policy loan. The accelerated death benefit is treated as a lien, which accrues interest. Upon the death of the insured, the death benefits payable are reduced by the total accelerated death benefit lien.

The accelerated death benefit feature is subject to state variation. See rider policy form ICC10 ADB and state variations for full benefit description, requirements and exclusions.

## TERM RIDERS

Additional Term Insurance Riders, policy form ICC11 AIR and state variations, can provide temporary life insurance coverage for 10, 15 or 20 years after which coverage ceases. The rates per thousand of coverage for the Term Rider are the same as the level OPTerm plans. Premium bands are based on each Term Rider's face amount. Term riders are not available in all states; issue ages vary from base plan. Please refer to the Term Rider Specifications for more specifics.

## CHILDREN'S RIDER

The Children's Life Insurance Rider (ICC16-CLIR) and state variations, provides death benefit protection for families with one or multiple children. A single rider covers all eligible children to the earlier of the child's 25th birthday, the insured's 65th birthday or policy termination. The rider charge is level in all years. Eligible children of the policy insured (not owner) may include any unmarried child, stepchild or legally adopted child, who is not beyond his or her 18th birthday at time of application. If the eligible child is not yet 15 days old at the time the application is signed, the child will become insured when 15 days old. Available only at policy issue when the OPTerm policy insured is between the ages of 20 and 55, nearest birthday. Please refer to the Child Rider Specifications for all more specifics. Not available in all states.
